

## Abstract Poster Breakout Sessions Schedule

FRIDAY, MAY 15, 2:15 PM (Eastern Daylight Time)

### Basic Science & Research Methods

IL-1 Signal Dependence of Enthesis-Resident Lymphocytes in Murine Spondyloarthritis

**Matt Stoll, MD, PhD, Moderator**  
University of Alabama

Ankylosing Spondylitis Associated Killer Immunoglobulin-Like Receptors Are Highly Expressed on Innate Lymphocytes

**Emma Haley**  
Brigham and Women's Hospital

**Micah Lefton**  
Brigham and Women's Hospital

### Diagnosis

Do Primary Care Physicians Consider Inflammatory Back Pain When Evaluating Young Adults with Chronic Low Back Pain

**Jessica Walsh, MD, Moderator**  
University of Utah

Impediments to Accurate Diagnosis of Non-radiographic Axial Spondyloarthritis: "Rheum to Diagnosis" Study: Interim Results

**Aruna Tokas, MD**  
Tufts Medical Center

Use of Facebook and MyChart to Identify Axial Spondyloarthritis among Patients with Chronic Back Pain

**Sonam Kiwalkar, MD**  
Oregon Health & Science University

Findings Compatible with Axial Spondyloarthropathy in Radiologist Reports

**Yuliya Afinogenova, MD**  
Yale

Oregon Chiropractic Axial Spondyloarthritis Study: Interim Results

**Rouhin Sen, MD**  
University of Colorado

**Sonam Kiwalkar, MD**  
Oregon Health & Science University

### Outcomes

Lymphoproliferative Malignancy and Monoclonal Gammopathy of Undetermined Significance in Psoriatic Arthritis

**Runsheng Wang, MD, MHS, Moderator**  
Columbia University

Malignancy Risk in Ankylosing Spondylitis: Cross-sectional analysis of a large population database

**Eugenia Chen, MD**  
University of California Irvine

Health-Related Quality of Life among Women and Men with Axial Spondyloarthritis: Exploratory Analysis of a Population-based Sample

**Sali Merjanah, MD**  
Case Western Reserve University

Reliability and Structural Validity of the PROMIS-29 Health Profile in Ankylosing Spondylitis Patients

**Divya Shridharmurthy**  
University of Massachusetts

**Yvette Farran, MD**  
University of Texas Health Science Center

### Treatment

Origins and Evolution of The Spondyloarthritis Concept: A Literature Review

**Maureen Dubreuil, MD, Moderator**  
Boston University

The Clinical Management of Patients with Ankylosing Spondylitis in a Real-World Cohort

**Maedeh Ashrafi, MD**  
Brigham and Women's Hospital

The Changing Profile of Ankylosing Spondylitis in the Biologic Era

**Akash Patel**  
Brigham and Women's Hospital

Family Studies in Ankylosing Spondylitis: Effect of Inheritance and Clinical Features in First Degree Relatives

**Lauren Ridley, MD**  
University of Texas

The Role of Pharmacologic Therapy in the Development of Atherosclerotic Cardiovascular Disease in Patients with Psoriatic Arthritis

**Karim Doughem, MD**  
University of Texas

**Eugenia Chen, MD**  
University of California Irvine
